Set 1	Science RE	English Geography		Maths History	Latin French
Set B	Geography RE	Science History		Maths English	Latin French
Set P	History RE	English Science		Maths Geography	Latin French

N.B. Spellings are also set weekly for years 5-8 at the discretion of the teacher. Spellings & Vocab homework are normally (guidance will be given) set a week before the test and so it's advisable that a little practice takes place every evening. All other homework should have clear and reasonable deadlines set. If parents would like children to do more we ask that you encourage them to read a variety of books across a wide range of subjects.
