### School Uniform List

Our main uniform supplier is Perry Uniform, but some items may be bought from any high street supplier and we do stock a few items ourselves. All is clearly marked on the pages below. We try to make as few changes as possible as children move up the school, however, especially in sport, some changes are unavoidable. The main stages of change are Year 3 where they require the full PE kit and then as the children progress into Years 7 and 8 when their uniform reflects the fact that they are the senior members of our school community.

Uniform marked as available from Perry must be bought from them [www.perryuniform.co.uk](http://www.perryuniform.co.uk) / 0113 238 9520. At key times of the year Perry Uniform are extremely busy so please allow plenty of time for your order to be processed. Please email the school office with any items you require from us directly.

The school provides all sports equipment needed but children may use their own hockey sticks, tennis rackets, cricket bats, and cricket and rugby protection etc as long as it is **very clearly named**.

Jewellery and cosmetics are not allowed.

No piercings can be worn at the school at any time apart from girls in Years 7 & 8 who are able to wear small studs. These will, however, need to be covered for PE.

Hair should be left its natural colour and worn in a neat style which is practical for school activities. Girls with hair longer than collar length must wear it tied back. Slides and ribbons should be plain and in school colours - navy or red.
