- The teacher in charge of each class must indicate the exit route to be used and everyone must be directed and accompanied to the Assembly Point; the Tarmac Area outside the Sports Hall. They must also ensure that all doors through which they pass are closed behind them.
- No running is to be permitted to avoid panic.
- On staircases everyone must descend in single file. Overtaking of classes or individuals must not be permitted.
- Anyone who is not in class when the fire alarm sounds must go immediately to the assembly point and instruct any children out of class accordingly.
- In the main building, pre-preparatory and nursery there will be assigned delegates who will be responsible for checking communal areas (i.e. the library and toilets).
 - Mrs F. Miller (Upstairs & Downstairs loos in the main building)
 - Miss J. Clegg (Library)
 - Miss S-J Glenn (Pre-Preparatory)
 - Mrs S Clarke (Nursery)

- The School Secretary has overall responsibility to ensure that a roll call is conducted in the event of evacuation of the premises.
- Immediately a class has assembled at the assembly point, a roll or count must be made by the teacher in charge of the class to ascertain that no one remains in the premises.
- The count at the assembly point must be checked with the attendance registers to verify that everyone is out of the building.
- The attendance registers for the whole school will be brought to the assembly point by the School Secretary when the alarm sounds.
- **Each teacher must report to the School Secretary to verify that everyone in their charge is accounted for or to inform her of the number of persons missing.**
- The School Secretary is responsible for ensuring all visitors or contractors are accounted for.
- If outside of school hours (0800-1700) late creche should be accounted for by the member of staff on duty. The senior member of staff should check vehicle presence to determine staff on site and the visitors book should also be picked up to establish the presence of any contractors.

FIREFIGHTING

- Any attempt to fight the fire must always be secondary to life safety.
- Circumstances will clearly dictate whether firefighting should be attempted.
- Any attempt to fight the fire must be based upon the type and degree of training received in the use of firefighting equipment employed in the premises.

OUTER BUILDINGS

- To account for the fact that not all of the buildings are linked a designated individual (the Bursar) will be responsible for verbally raising the alarm with all persons in the outer buildings.
- To ensure that a roll call is carried out as efficiently as possible all buildings must be evacuated.
