

HEAD'S COMMENDATION

Lenny has been awarded the Head's Commendation this week for showing compassion to a younger pupil in a modest and unassuming manner.

PRE-PREP TROPHY

Teddy has won the pre-prep trophy this week for his perseverance and continued hard work in Year 1

MR F'S MATHS Q.

Have a go at this question from a Wellington Scholarship paper. Please email answers to: j.fradgley@daneshillprepschool.com

Question: Solve for A, B, C & D

Solve:

$$\begin{aligned} a + b + c + 2d &= 8 \\ a + b + 2c + d &= 19 \\ a + 2b + c + d &= 15 \\ 2a + b + c + d &= 13 \end{aligned}$$

YEAR 8

Today, Year 8 visited the Clink Museum which includes original features from the notorious Clink Prison. Students viewed archaeological artefacts, experienced the sights and sounds of the prison and handled torture devices. After the Clink, they visited the Tate to view the abstract works rarely exhibited before in the UK by Maria Bartusová. They saw beautiful work created by pouring plaster into rubber balloons and creating unique and distinct shapes. Later, she allowed the balloons to burst, creating delicate works similar to cocoons or nests.

HOUSE DEBATES

We are very excited to be holding an inter-house debate on 5th of December - [debate topics here](#). House Teams feature pupils from each year group (Years 3-8) and all of them are busy practising and researching their points of view. We cannot wait to see all the pupils debating. Every pupil in the audience will also take part in the floor debate and pose tricky questions to the House teams. They will get to vote for the winners of the heats who will go through to the grand final on 9th December.

RUGBY

This week, the boys had a coaching session to kick off the rugby season. It is vital that the core values of rugby are understood and followed by the students. This is something that will be focussed on throughout the term and the boys will be reminded of these key principles. Teamwork, respect, enjoyment, discipline and sportsmanship. We are looking forward to a successful and safe season!

EQUESTRIAN

On Sunday several of our Grassroots Showjumping riders were at the NSEA Regional Qualifiers. There were some lovely speedy clear rounds but unfortunately no qualifications. Well done to Freya, Rosie, Molly and Ellie. Rosie and Molly will be attending the Regional Championships on 4th December.

WINNER

Well done, Atalanta (Atty), in 4DB. She is the winner of 'Guess the Teddy's name' from Bonfire Night. The Teddy's name was.....'Atty'! Congratulations to Atalanta and thanks to all who had a guess!

YEAR 4

Year 4 pupils made Jungle Juice in Maths this week. This is based around the Capacity topic. The children had to measure out different amounts of juice, carefully and accurately, into cylinders. They said the juice was delicious!

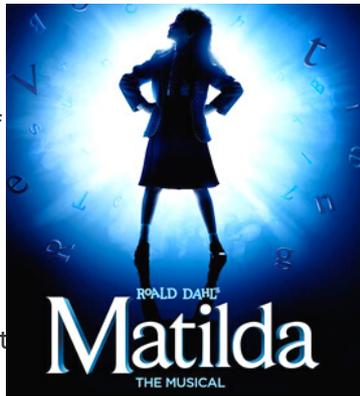

YEAR 7 & 8

Year 7 and 8 pupils have been writing some poignant Remembrance Day poetry. Please [click here](#) to see some fantastic pieces from Freddie and Sid.

Miss Johnson will be a running the Windsor Night Half Marathon tomorrow night. She is raising money for 'Mind', please give your support by sponsoring her [here](#).

YEAR 7 & 8

Beware - the children are revolting! This week brought the exciting announcement that the senior production next term is to be Matilda the Musical Jr. Inspired by the genius of Roald Dahl, this captivating masterpiece by the Royal Shakespeare Company revels in the anarchy of childhood, the power of imagination and the inspiring story of an extraordinary girl who dares to take a stand and change her own destiny. Auditions are taking place over the next few weeks.

YEAR 6

Pupils have been making their own indicator using red cabbage. They have been using this to test to see if substances are an acid or an alkali (base).

E-SAFETY

Pirated material includes illegally downloading copyright content (games, music) and watching movies and TV series that are not available in the UK. [This article](#) gives the perspective from one young person and what they were exposed to when using pirate sites. The article highlights the importance of empowering children and young people to make good choices and give them guidance when something goes wrong.

YEAR 8

Every year, our Year 8 pupils pick a charity to support and they hold fundraising initiatives throughout the year. This year, they have chosen the Matt Hampson Foundation. There will be many fundraising activities going on throughout the year so keep your eyes peeled. They are hoping to raise £10,000 by the end of the summer term and would love your support.
