

SUMMER TERM ISSUE 1: 23 APRIL 2021

## HEAD'S COMMENDATION

Theo has been commended this week for his consistent hard work and improvements over the academic year.

## PRE-PREP TROPHY

Well done Molly for winning the Trophy. She is always kind, enthusiastic and welcoming to her peers making pre-prep a happy place to learn.

## NEW TERM

The children are back in their uniform, looking smart and loving it.

## NURSERY

The new Nursery mud kitchen is open! The children have been enjoying the sunshine while making mud cakes for their friends. The beds have been prepped for seeds arriving next week and great care is being taken with the blueberries and strawberries which have already been planted.

## YEAR 6

Over the Easter holidays as part of their English studies, Year 6 have been preparing talks on a topic of their choice. This week they have been presenting to their peers. Alejandra talked the class through The Landmark Trust and Teddy passionately talked about The Lions.

## SPORT

The Summer Term has got off to a flying start with a school full of budding cricketers. As always we have our Coaches from Lions Sport Academy to help train the pupils which means focused training in small groups. The sun has shone which has made training all the more enjoyable and the pupils are ready for fixtures to start next week.

## ALS - Adventure, Leadership & Service

One afternoon a week, our senior pupils embark upon their ALS programme of activities. These aim to stretch the children to their limits and broaden their horizons. The adventure strand exposes the children to a less conventional world of sport. We aim to offer a dynamic leadership and personal development programme, designed to challenge pupils outside of the classroom through controlled exposure to risk and learning for life.

Year 8 had their first ALS outing to Horseshoe Lake this week following some easing of restrictions. It was fantastic to witness an afternoon of fun, friendship and team building as they worked on core strength and balance on the paddle boards and kayaks.
