School Uniform List

Our main uniform supplier is Perry Uniform but we do stock some items ourselves. Some items may be bought from any high street supplier. All is clearly marked on the pages below. We try to make as few changes as possible as children move up the school, however, especially in sport, some changes are unavoidable. The main stage of change is as the children progress into years 7 and 8 when their uniform reflects the fact that they are the senior members of our school community.

Uniform marked as available from Perry must be bought from them (www.perryuniform.co.uk 0113 238 9520). At key times of the year Perry Uniform are extremely busy so please allow plenty of time for your order to be processed. There is a uniform order form to download on the Daneshill website www.daneshillprepschool.com for items that should be ordered from the school office. This can be found on the Uniform page from the Parents drop down menu on the home page.

The school provides all sports equipment needed but children may use their own hockey sticks, tennis rackets, lacrosse sticks, and cricket and rugby protection etc as long as it is **very clearly named**.

We run a dentist fitting service for mouth guards during the September term, but mouth guards may also be fitted by your dentist or you may buy one from any good sports shop.

Jewellery and cosmetics are not allowed.

No piercings can be worn at the school at any time apart from girls in Years 7 & 8 who are able to wear small studs. These will, however, need to be covered for PE.

Hair should be left its natural colour and worn in a neat style which is practical for school activities. Girls with hair longer than collar length must wear it tied back. Slides and ribbons should be plain and in school colours.

A second hand uniform sale is held on Wednesday mornings at the school.
